## DISPLAY

The display helps to communicate with the machine, with buttons and a text window.

### Text window

The text window (1) can show:

- menus
- items in the menu
- settings
- commands
- automatic procedures

If you have the twin machine, the black arrow (2) indicates whether you operate the left or the right brewer.

### Buttons

With the buttons you can navigate through the menus of the machine.

1. MENU button
2. LEFT/RIGHT button
3. VOLUME button
4. START/STOP

### Menus

The basic operation has menus for:

- the selection of the recipe
- how to change the amount of coffee you brew
- start or stop the machine

In the operator menus, you can define your preferences. In the menu you can:

- build, change, download or upload recipes
- change the setting of the temperature, calendar, time, machines
- change the setting of the programs of the machine, such as:
  - Eco
  - Water filter
  - Descaling
  - Cleaning

## Navigation

Touch the buttons for navigation.

Two different ways of touching the button are defined in this manual:

- Press a button: briefly touch the button.
- Hold a button: touch the button for at least 1 seconds.

Each different way of touching a button results in a different action in the display navigation.

## Button Commands

1. Hold the MENU button 1 second to confirm a choice in a menu level.
2. Press the MENU button briefly to proceed to the next menu level.
3. Hold the LEFT/RIGHT button to switch brewer (only in a TWIN version).
4. Press the LEFT/RIGHT button briefly to scroll through the options of the menu level.
5. Press the VOLUME button briefly to change the volume you brew.
6. Hold the START/STOP button to start brewing.
7. Hold or press the START/STOP button to abort the brewing process.
8. Press the START/STOP button briefly to go back one menu level.

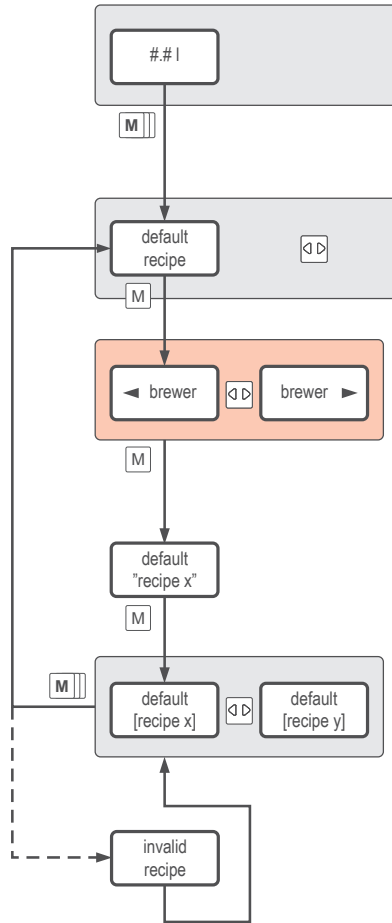

## Automatic procedures

White arrows in the scheme indicate automatic procedures, performed by the machine.

## AFFICHAGE

L'affichage permet de communiquer avec la machine à l'aide de boutons et de textes affichés.

### Fenêtre de texte

La fenêtre de texte (1) peut afficher :

- menus
- éléments de menu
- réglages
- commandes
- procédures automatiques

Si vous avez une machine double, la flèche noire (2) indique si vous utilisez le brasseur de gauche ou de droite.

### Boutons

Utilisez les boutons afin de parcourir les menus de la machine.

1. Bouton MENU
2. Bouton GAUCHE/DROITE
3. Bouton VOLUME
4. MARCHE/ARRÊT

### Menus

Le fonctionnement basique dispose de menus pour :

- la sélection de la recette
- la méthode de modification de la quantité de café brassée
- démarrer ou arrêter la machine

Dans les menus de l'opérateur, vous pouvez définir vos préférences. Dans les menus, vous pouvez :

- créer, changer, télécharger ou charger des recettes
- changer les réglages de température, calendrier, heure, machines
- changer les réglages des programmes de la machine, ainsi :
  - Éco
  - Filtre à eau
  - Détartrage
  - Nettoyage

### Navigation

Touchez les boutons pour la navigation.

Ce manuel définit deux manières différentes de toucher les boutons :

- Appuyer sur un bouton : touchez brièvement le bouton.
- Maintenir un bouton : touchez un bouton pendant au moins 1 seconde.

Chaque méthode de touche de bouton génère une action différente dans la navigation des affichages.

### Commandes de bouton

1. Maintenez le bouton MENU 1 seconde pour confirmer un choix de niveau de menu.
2. Appuyez brièvement sur le bouton MENU pour passer au niveau de menu suivant.
3. Maintenez le bouton GAUCHE/DROITE pour changer de brasseur (uniquement pour la version double).
4. Appuyez brièvement sur le bouton GAUCHE/DROITE pour faire défiler les options de niveau de menu.
5. Appuyez brièvement sur le bouton VOLUME pour changer le volume brassé.
6. Maintenez le bouton MARCHE/ARRÊT pour démarrer le brassage.
7. Maintenez ou appuyez sur le bouton MARCHE/ARRÊT pour interrompre le processus de brassage.
8. Appuyez brièvement sur le bouton MARCHE/ARRÊT pour reculer d'un niveau de menu.

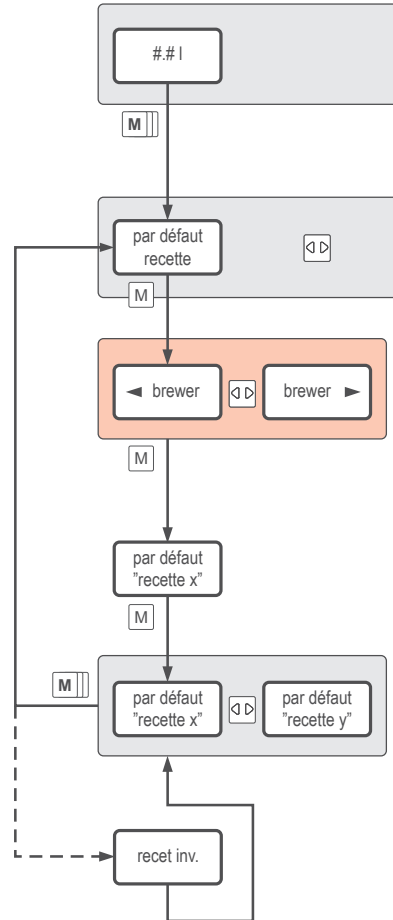

### Procédures automatiques

Les flèches blanches du schéma indique les procédures automatiques exécutées par la machine.

## PANTALLA

La pantalla ayuda a comunicarse con la máquina mediante los botones y una ventana de texto.

### Ventana de texto

La ventana de texto (1) puede mostrar:

- menús
- elementos en el menú
- ajustes
- comandos
- procedimientos automáticos

Si tiene la máquina doble, la flecha negra (2) indica si está funcionando el expendedor izquierdo o derecho.

### Botones

Con los botones puede navegar por los menús de la máquina.

1. Botón MENÚ
2. Botón IZQUIERDA/DERECHA
3. Botón VOLUMEN
4. START/STOP

### Menús

El funcionamiento básico tiene menús para:

- la selección de la receta
- cómo cambiar la cantidad de café que prepara
- poner en marcha o parar la máquina

En los menús del operario puede definir sus preferencias. En los menús es posible:

- crear, cambiar, descargar o subir recetas
- cambiar el ajuste de la temperatura, el calendario, la hora, las máquinas
- cambiar el ajuste de los programas de la máquina, como:
  - Eco
  - Filtro agua
  - Descalcificación
  - Limpieza

### Navegación

Toque los botones para la navegación.

En este manual se definen dos formas diferentes de tocar el botón:

- Pulsar un botón: tocar brevemente el botón.
- Mantener un botón: tocar el botón durante al menos 1 segundo.

Cada forma diferente de tocar un botón resulta en una acción diferente en la navegación en pantalla.

### Comandos de los botones

1. Mantenga el botón MENÚ 1 segundo para confirmar una selección en un nivel de menú.
2. Pulse el botón MENÚ brevemente para continuar al siguiente nivel de menú.
3. Mantenga el botón IZQUIERDA/DERECHA para cambiar de expendedor (solo en una versión DOBLE).
4. Pulse el botón IZQUIERDA/DERECHA brevemente para desplazarse por las opciones del nivel de menú.
5. Pulse el botón VOLUMEN brevemente para cambiar el volumen que prepara.
6. Mantenga el botón START/STOP para empezar a preparar.
7. Mantenga o pulse el botón START/STOP para cancelar el proceso de preparación.
8. Pulse el botón START/STOP brevemente para regresar un nivel de menú.

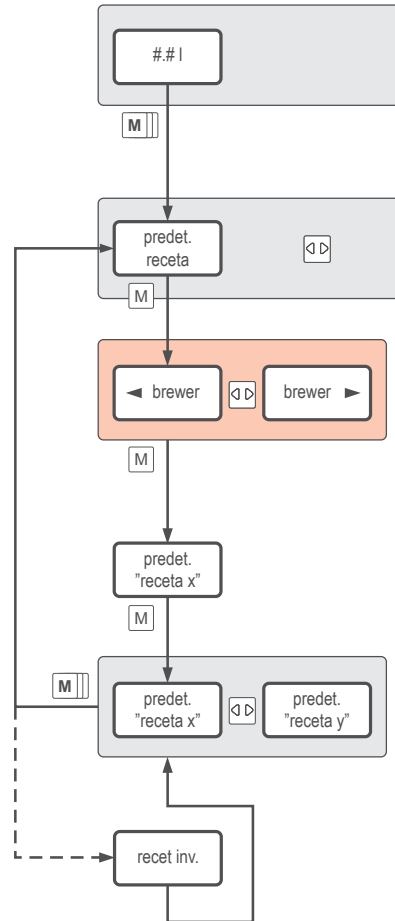

### Procedimientos automáticos

Las flechas blancas en el esquema indican procedimientos automáticos, realizados por la máquina.
